Dear [REDACTED],

The [REDACTED] Foundation is pleased to make a grant of \$165,000 over one year to [REDACTED] for general operating support. For each outright award, \$50,000 is to [REDACTED] and \$5,000 is your fiscal sponsorship fee. For each challenge award, \$25,000 is to [REDACTED] and \$2,500 is your fiscal sponsorship fee. The grant is to be distributed as follows:

- Upon signature of agreement: \$55,000 (\$50,000 is to [REDACTED] and \$5,000 is your fiscal sponsorship fee)
- After a six-month report from SGLAI: \$55,000 (\$50,000 is to [REDACTED] and \$5,000 is your fiscal sponsorship fee)
- Upon making each challenge: \$27,500 (\$25,000 is to [REDACTED] and \$2,500 is your fiscal sponsorship fee)

We are proud to support this important work.

Donations raised toward the challenge grant(s) must each come from a single new institutional funder or individual donor. A qualifying "institutional funder" grant includes those from foundations, corporations, and government; but do not include contracted work or fee-for-service. In the event that any portion of the matching constituent is unmatched during the grant year, the match will be considered forfeit.

Enclosed is the grant agreement ready for your signature. When we have received the countersigned grant agreement, we will begin the processing the outright payment of \$55,000.
